

Mr. John Stowell  
Monday Sept 13/63-

My dear sir

You will probably be as much surprised as I am myself that I am here, I was drawn to Starbuck by Ally's trouble, when then I could not resist the temptation to make you a visit. I arrived here about 4 o'clock, & commenced to plan my visit to you, when Maggie insists that I shall remain here, & send for you that she may have us here together. I have yielded to her solicitations, now if you cannot come with convenience, say so & I will go to your quarters. My time is limited, I must hasten back, as my leaving was very unexpected.

Hoping to see you to-morrow
