My dear sir

I got back last night from a  
visit to the Brazos & Carey when I had the pleas-  
ure of meeting your daughter Mrs Leigh - She  
is very well, and is worried at not hearing from  
you - address her in future at care of Judge  
Wharton. Wharton County Texas -

The Brazos & Carey Counties for space any part of  
Texas I have seen -

I have been expecting C. C. Mudd & family  
had nothing of them -

I expect to get home soon, I think our country  
full of you know -

Believe me of all kinds very truly  
in compliance of the occupation of Brown  
cases by the judge

Yrs truly W. H. H. H.
